

ColorMax VIOLA

The next **BIG** thing in violas! With great weather tolerance, ColorMax provides tremendous color all season long. ColorMax has larger flowers than standard violas and is very free-flowering, resulting in more color per square foot. Positions well in packs, pots, baskets and mixed combos. Available in 10 colors and a mix.

SAKATA[®]

Grandio PANSY

Grandio is our large flowered series bred for ease of growing in today's production systems. Uniform habit between clear and blotched colors eliminates the need for customized growing regimes.

Majestic Giants II PANSY

The name consumers recognize! Our well-known Majestic Giants II extra-large flowered pansies have long been the preferred choice for fall and spring markets. This series maintains huge flower size under warm conditions with excellent overwintering and rebloom in the spring.
